Air Source Heat Pump Accessories

PRODUCT DATA SHEET
Anti-vandal Guards

HERONHILL

Weather-protected, steel mesh guards for protection of externally located air source heat pumps against vandalism and accidental damage. All components receive an 8-phase epoxy-polyester powder coating, with scratch-resistant, textured finish in a colour (RAL 7032) to match most brands of condensing units.

•Unique Sliding Panel System

All panels can be removed for maintenance by unscrewing four bolts.
Additional Bottom / Back panels are available for stand alone / high wall options.
Withstands repeated removal of panels for maintenance without damage.
All bolts are Allen-headed for greater security.
Quick & Easy to install and access for maintenance - just a one person fit!

***MDG-M** - standard model wall mounted*

Arm Extrusion Detail
